This seven-piece, Ontario-based band has a repertoire that caters to the music of **Jimmy Buffett** with a large dose of other colourful Caribbean stylings, including **Reggae**, **Calypso**, **Soca** and **Latin**.

**Spirit of the Keys'** blend of music is special. If you have ever been on a **Caribbean** cruise, had a romantic experience under the Florida sun, or just have an affinity for this kind of music, then this band captures the spirit fully.

## The Ultimate Beach Party

The band's lineup includes experienced club and concert musicians featuring three lead vocalists, a percussionist and an incredible array of musical colourings within its seven members.

**Spirit of the Keys** has been selling out shows at venues all over North America and has earned the billing as one of **Canada's hottest showbands**.

*Spirit of the Keys*

The stage is reminiscent of a beachfront club in the **Caribbean**, with the colourfully-dressed band doing their thing under the palm trees.

So bring your sunblock, dress in your **"parrothead"** finery, and be prepared to be swept away on this **Caribbean** breeze.

**Spirit of the Keys'** high energy and exciting show will suit your party or special event needs.
